

School Wide Title 1 Parent Involvement Policy

The faculty, staff and administrators of Oak Ridge R-6 Schools recognize the importance of a committed partnership with parents in order to help students acquire the knowledge and skills contained in the Show-Me Standards and Grade Level Expectations. Our school, along with a collaborative partnership with parents, is committed to pursuing the following goals in ways that recognize and respect the diversity and differing needs of families.

- Involve parents as partners in the development and implementation of Schoolwide Title 1 instructional programs.
- Establish effective two-way communication with parents.
- Develop strategies and programs that enable parents to actively participate in their child's education.
- Provide support and coordination for school staff and parents to implement and sustain appropriate parent involvement at all grade levels.
- Utilize community resources to enrich the educational environment and promote family and student success.
- Support parents in their role as the child's first and most important teacher.

The overall goal of Oak Ridge R-6 District School Wide Title 1 Program is to promote partnerships that will increase parental involvement and participation in promoting the social, emotional, and academic growth of children.
